Dear Sir:

Pursuant to your request for data from your file located in the Office of Security, Central Intelligence Agency, the following information is furnished:

Tab A is a summary of your relationship with the Agency which caused the establishment of the file.

Tab B is a document inventory which provides a description of each document contained in the file.

Tab C is an explanation for the existence and retention of documents in the file.

It is hoped that this information will serve your requirements. If this is not the case, I am prepared personally to discuss the matter with you and to show you individual documents in the file which do not impinge on the privacy or the fiduciary relationship of others mentioned in the file.

FOR THE DIRECTOR OF CENTRAL INTELLIGENCE:

Sincerely,

[Redacted Signature]

Charles W. Kane  
Director of Security
